Dear Mr. Mangat:

On behalf of Douglas College Centre for Sport, Recreation and Wellness, we would like to express our sincerest appreciation to your company's generous donation last year.

Your valuable contribution helped to support our student-athletes in their athletic and academic achievements. The Men's Soccer team was composed of 20 student-athletes who were registered in 66 courses during the fall 2008 semester while competing in the Canadian Colleges Athletics Association. The team's activities permitted the players to be engaged in leadership opportunities, time management skills and group dynamic work.

We look forward to your company's support again this year. Once again, thank you for making a difference in the lives of our student-athletes.

Yours sincerely,

*Dean Howie*
