Dear Bob,

On behalf of the Department of Athletics & Intramurals, I would like to thank you for your generous donation to the Men's Soccer team. The team absolutely loves their jackets and it would not have been possible without your assistance.

We at Langara are extremely proud of our athletic program, both past and present. The contribution of our coaches, student-athletes, and the many people committed to Langara's Athletic Program over the years is admirable and helped to develop the tradition of excellence that has become a legacy among colleges across Canada.

As a Department, we continually encounter new fiscal challenges, including increased costs for travel and equipment. Your generous donation provides a tremendous boost to our men's soccer team and has allowed us to supply something for the players and coaches that we would not have been able to otherwise.

Thank you for continuing to support Marc, his players and the Langara College soccer team!

Yours truly,

LANGARA COLLEGE
